Geriatrics

DEVOTED TO DISEASES AND PROCESSES OF AGING

✦

INDEX
to
VOLUME 15

✦

January 1960 – December 1960

SUBJECT INDEX

Abdomen, surgical emergencies, hazards and management, 73

Acromegaly with heart disease, low-salt syndrome in, 131

Aging and the aged
- AAAS symposium on social and biologic factors, 210
- AMA committee (current comment), 141
- changing interests (editorial), 139
- Ciba Foundation colloquia on, 814
- cultural aspects as important as physiology and pathology, 858
- effects of increasing proportion of older persons on social values, 145
- enthusiasm vital factor in worthwhile living (editorial), 328
- federal research (current comment), 812
- fifty years of science of geriatrics (editorial), 216
- humanistic aspects (editorial), 215
- institutional care *see* Hospitals; Housing
- interdisciplinary approach to (current comment), 731
- international research institute (current comment), 672
- Merano seminar on social health, 440
- Michigan study *see* Michigan, University of
- neglect of danger signals, financial factors (current comment), 554
- new basic science studies (current comment), 605
- new ideas on care (current comment), 553
- personal and governmental approaches to care (current comment), 812
- psychiatric aspects *see* Psychiatric problems
- public health aspects (editorial), 326
- public health practices, 693
- Public Health Service grants for research (editorial), 495
- reasons for not seeking medical care (current comment), 813
- social gerontology, new approach, 705
- social gerontology, research training programs, 801
- university programs, 665

Amphetamine for elderly osteoporotic women, subjective improvement with, 48

Angina pectoris, surgical treatment (current comment), 72

Appendicitis, emergency surgery, 74

Arteries
- carotid or vertebral stenosis or thrombosis, ocular symptoms (current comment), 813
- cerebral sclerosis, oral pentylenetetrazol for psychotic patients, 848
- chronic insufficiency: symptoms, diagnosis, and surgical treatment, 444
- occlusion, medical and surgical management, 589
- occlusion, surgical treatment, 568
- sclerosis, connective tissue factors, 524

Arthritis
- connective tissue factors, 524
- hand, types, 736
- home care (current comment), 554
- intra-articular triamcinolone for, 696
- major chronic disease problem, 637

B

Baruch, Simon, pioneer in geriatric rehabilitation, 176

Bierring, Walter L., award recipient, 414

Bladder, tidal drainage in rehabilitation, 349

Bones *see* Fractures; Osteoporosis

Book Reviews
- Acute and Chronic Peptic Lesions of Stomach and Duodenum (Levij), Mar. 56A
- Aging and Human Skill (Welford), Nov. 54A
- Aging Population of Wellington County (Stevens), Nov. 58A
- Antithrombotic Therapy (Boyles), Dec. 48A
- Arterial Embolism in Limbs (Jacobs), Sept. 56A
- Arterial Wall (Lansing), Mar. 43A
- Atlas of Technics in Surgery (Madden), Mar. 56A
- Biopsy Manual (Hardy et al.), June 48A
- Canadian Cancer Conference, Vol. 3 (Begg), Aug. 36A
- Care of Surgical Patient (Glassman & McNealy), July 52A
- Clinical Auscultation of Heart (Levine & Harvey), Sept. 52A
- Clinical Radiology of Acute Abdominal Disorders (Epstein), June 46A
- Color Atlas and Management of Vascular Disease (Foley & Wright), May 54A
- Coronary Heart Disease (Gofman), Aug. 40A
- Cutaneous Manifestations of Malignant Lymphomas (Bluefarb), Mar. 64A
- Developmental Psychology (Hurlock), Jan. 64A
- Diagnosis and Treatment of Menstrual Disorders and Sterility (Israel), Feb. 44A
- Early Diagnosis (Miller), Feb. 41A

Effect of Pharmacologic Agents on Nervous System (Braceland), Mar. 64A

Emotional Forces in the Family (Liebman), May 54A

Essentials of Medicine (Emerson & Bragdon), Mar. 43A

Essentials of Orthopaedics (Wiles), Aug. 36A

Essentials of Roentgen Interpretation (Paul & Juhl), Feb. 25A

Family and Class Dynamics in Mental Illness (Myers & Roberts), Jan. 42A

Gray's Anatomy: American Centennial Edition (Gray & Goss), Mar. 76A

Haemorrhagic Nephroso-Nephritis (Smorodintsev et al.), Mar. 62A

Handbook of Circulation (Altman), May 58A

Handbook of Poisoning: Diagnosis and Treatment (Dreisbach), Feb. 56A

Human Nutrition and Dietetics (Davidson et al.), June 68A

Human Spine in Health and Disease (Schmorl & Junghanns), July 57A

Hypertension (Moyer), Jan. 68A

Introduction to Colposcopy (Bolton), Aug. 40A

Introduction to Public Health (Mustard & Stebbins), Feb. 44A

J. M. Charcot, 1825-1893 (Guillain & Bailey), Feb. 25A

Leukocyte Antigens and Antibodies (Walford), June 52A

Manual of Skin Diseases (Sauer), Aug. 36A

Master Your Tensions and Enjoy Living Again (Stevenson & Milt), Mar. 36A

Measurement of Subjective Responses: Quantitative Effects of Drugs (Beecher), Sept. 56A

Medical Management of Menopause (Goldberg), Mar. 36A

Megaloblastic Anemias (Herbert), June 46A

Modern Dermatologic Therapy (Sternberg & Newcomer), Nov. 62A

Myasthenia Gravis (Osserman), June 62A

New Life in Your Later Years (Woltereck), Jan. 26A

Normal Radiographic Anatomy (Meschan), June 52A

Nursing Home Management (Williams et al.), May 46A

On Ageing and Old Age (Grmek), Jan. 25A

Parkinson's Disease: Meaning and Management (Doshay), Oct. 48A

Pathogenesis and Immunology of Tumours (Vygodchikov), Feb. 52A

Pathology of Tumors of Nervous System (Russell & Rubinstein), Jan. 32A

Personal, Family, and Social Circumstances of Old People (Townsend & Rees), Apr. 42A

Planning Homes for Aged (Mathiasen & Noakes), Mar. 26A

Preparation of Medical Literature (Cross), Mar. 26A

Principles of Disability Evaluation (Smith), Jan. 48A

Progressive Exercise Therapy in Rehabilitation and Physical Education (Colson), Jan. 48A

Protein and Amino Acid Nutrition (Albanese), Jan. 56A

Radiation Biology and Cancer (Symposium on Fundamental Cancer Research), Feb. 26A

Radiation Therapy (Murphy), Apr. 46A

Recent Advances in Neuro-Physiological Research (Cameron & Greenblatt), Sept. 52A

Recreation in Total Rehabilitation (Rathbone & Lucas), Feb. 26A

Reflektornaia Reguliatsia Deiatel'nosti Serdechno-Sosudistoi Sistemy (Frol'kis), Jan. 34A

Remedies and Rackets: Truth About Patent Medicines Today (Cook), Feb. 52A

Short Practice of Surgery (Bailey & Love), Feb. 56A

Smoking: The Cancer Controversy (Fisher), Mar. 32A

Social Work Education for Better Understanding of Aging (Council on Social Work Education), Jan. 32A

Surgery of Foot (Duvries), Apr. 46A

Surgical Nursing (Ferguson & Sholtis), Jan. 56A

Suspension Therapy in Rehabilitation (Hollism & Roper), Apr. 52A

Symposium on Glaucoma (Clark), Nov. 58A

Synopsis of Skin Diseases (Solomons), Jan. 64A

Technical Adequacy and Practical Application of Heidelberg Pneumatic Prosthesis (Marquardt & Haefner), Feb. 36A

Therapeutic Radiology (Moss), June 48A

Toward A Better Understanding of Aging (Council on Social Work Education), Jan. 32A

Transplantation of Tissues (Peer), Apr. 56A

Trauma (McLaughlin), Feb. 49A

Treatment of Cancer in Clinical Practice (Kunkler & Rains), Dec. 48A

Treatment of Diabetes Mellitus (Joslin et al.), Feb. 30A

Treatment of Tumors of Head and Neck (Pack & Ariel), Apr. 42A

Trigeminal Neuralgia: History and Treatment (Stookey & Ransohoff), Mar. 69A

The Truth About Your Eyes (Vail), Feb. 32A

Tuberculosis and Other Communicable Diseases (Myers), Feb. 41A

Tumors and Tumorous Conditions of Bones and Joints (Jaffe), Jan. 42A

Tumors of Lungs and Mediastinum (Fried), May 46A

Virus Hunters (Williams), May 58A

The Volunteers (Sills), Jan. 58A

Where Somebody Cares (deLourdes), Mar. 74A
X-Ray and Radium in Dermatology (Wansker), Jan. 46A
Year Book of Cancer, 1958-1959 (Clark & Cumley), Feb. 49A
Your Later Years (Woltereck), June 62A

Brain
cerebrovascular disorders *see* Arteries
hard mental work and longevity (editorial), 140
lesions as primary cause of death (editorial), 69

C

Cancer
bladder, metabolic changes attending urinary diversion, 90
recent developments in virology, chemotherapy, and cytology, 1
rectum and colon, routine proctosigmoidoscopy in diagnosis, 519
tongue, Radon gold seed implantation for, 607
uterus, cytologic test, 7

Carbohydrate, decreased tolerance with inactivity of aging, 315

Carpal tunnel syndrome, 735

Cells, mast, changes with aging (current comment), 219

Cerebrovascular accidents *see* Arteries

Chairs for institutionalized patients, 509

Chemistry, positive correlation between early age of starting career and creative output, 19

Cholesterol
effect of corn oil on serum levels (current comment), 72
effect of nicotinic acid on serum levels, 423

Clinicopathologic conferences
bacterial endocarditis, acute, with valvular rupture, 197
periarteritis nodosa with multiple organ infarcts, 355
sarcoidosis of liver and lungs with cirrhosis, 718
sarcoidosis of liver and portal lymph nodes, 61
spontaneous hypoglycemia with abdominal spindle-cell sarcoma, 473

Colitis, ulcerative, dietary and drug treatment, 164

Connective tissue diseases, 524

Cooper, Irving S., award recipient, 415

Corticosteroids
effects on osteoporosis, 555
for ulcerative colitis, 167
triamcinolone, intra-articular, for arthritis, 696

Crutch walking, 744

D

Deafness, otosclerotic, stapes mobilization, 681

Diabetes, appraisal of two-hour postprandial glucose test, 630

Disability control symposium, 524-551

Diuretics
chlorothiazide and hydrochlorothiazide for congestive heart failure, 45
clinical uses (current comment), 552
hydroflumethiazide, new oral agent, 373

Drugs
antiepileptic, 15
cancer chemotherapy, recent research, 3
tranquilizers for institutionalized patients, 480
see also Corticosteroids; Diuretics; specific drugs

Dupuytren's contracture, incidence and treatment, 740

E

Ear
chondrodermatitis anthelicis and ulcerodermatitis pedis, similar etiology, 563
otitis media in rats, relation to aging, 205
see also Hearing

Education, older persons in school (current comment), 732

Emotional problems *see* Psychiatric problems

Endocarditis, subacute bacterial, incidence and atypical diagnostic features, 152

Epilepsy, types and drug therapy, 11

Esophagitis, reflux, pathogenesis, 174

Exercise, stimulation assistive, for paralyzed upper extremities, 616

Eye symptoms of thrombosis of neck arteries (current comment), 813

F

Feet, chondrodermatitis anthelicis and ulcerodermatitis pedis, similar etiology, 563

Fractures
special and increasing problems, 623
special considerations of therapy and rehabilitation, 837

G

Gallbladder, oral roentgen examination, 746

Genetics, importance of research in disease prognosis (editorial), 140

Geriatrics
geriatricians honored by Modern Medicine (current comment), 413
journal, international editorial board members (editorial), 604
Michigan study *see* Michigan, University of
see also Aging and aged

Gerontological Congress report, 726

Glucose tolerance decreased with inactivity, 630

Gout and gouty arthritis, management, 497

H

Hand, effects of age on anatomic constituents: carpal tunnel syndrome, Dupuytren's contracture, shoulder-hand syndrome, and arthritis, 733

Handicapped workers, Viscardi's employment experiment (current comment), 70

Headache, chronic vascular: diagnosis, mechanism, psychotherapeutic factors, and medical therapy, 338

Health insurance
coverage for older persons, 537
proposed Social Security program (editorial), 730
recent federal legislation (editorial), 812

Hearing
loss and conservation program in Montefiore home, 180
loss due to otosclerosis, stapes mobilization, 681
problems and care, 106

Heart
anginal pain, surgical treatment (current comment), 72
beriberi disease, causes and case reports, 398
disease: legal, psychologic, medical, and surgical aspects, 548
disease, physician fear as deterrent to rehabilitation, 534
disease, rehabilitation for employment, 529
disease with acromegaly, low-salt syndrome in, 131
ischemic disease, characteristics in senile and psychotic patients, 449
rupture of aortic cusp with acute bacterial endocarditis, 197

Hemiplegia
measurement of motor, perceptual, and psychologic disability, 750
stimulation assistive exercise, 616

Hernia, strangulated, emergency surgery, 79

Hexacyclonate, antipathy agent, 767

Homes *see* Housing

Hormones, sex, for osteoporosis in women, effects, 46

Hospitals
combating patient fears (editorial), 810
four medical roles, 758
statistics for persons over 60 (current comment), 672

Housing
for aged in Israel, 513
for aged, recommendations for long-term-care institutions and nearby apartments for healthy, 329
foster care plan, 434
governmental and charitable projects (current comment), 142
group living, importance, 579
Hill Homes of London, 654
League House for active women over 65 of modest incomes, 366
Sacramento Street project, 110

Hypertension, reserpine therapy, ephedrine and caffeine with, 158

Hypoglycemia, sudden, with sarcoma of intestine, 473

I

Industrial medicine
effects of too-sudden retirement (editorial), 418
extension of programs into prevention of chronic disease, 601
handicapped worker employment experiment (current comment), 70
personal and national impact of unemployment (editorial), 494
preretirement education, 793
rehabilitation of elderly cardiac patient, 529
unemployment, effect on political and social attitudes, 430

Intestinal obstruction, necessity of early diagnosis and careful postoperative care, 817

L

Letters to editor, Mar. 92A; 143

Leukemia, advanced, amethopterin treatment, 5

Libraries, challenge of increasing service to aging population, 390

Liver
disease, vitamin K therapy, dangers, 700
function studies reveal no greater incidence of abnormalities after 65 years, 824
sarcoidosis and cirrhosis, 718
sarcoidosis involving portal lymph nodes, 67

L-triiodothyronine for euthyroid committed patients, 38

M

Mental states *see* Psychiatric problems

Michigan, University of, Conference on Aging, 601

MICHIGAN, UNIVERSITY OF GERONTOLOGY STUDY
- carbohydrate tolerance, correlation with age and inactivity, 315
- communication problems and psychosocial adjustment, 291
- dental problems and care in county hospitals, 306
- health survey in county hospitals, preventive and rehabilitation possibilities, 233
- historical review, 222
- medical care needs and rehabilitation potential, 296
- neurologic disorders in hospitalized patients, 254
- nursing facilities, county and private, 275
- rehabilitation needs and recommendations for county hospitals, 229
- rehabilitation program in county hospitals, 263

Mouth, mucosal lesions (special exhibit), 454

Muscle reactions at different ages, 773

N

Nervous system
- diseases in county hospitals, 254
- effects of aging on (editorial), 417

Nicotinic acid, effect on blood cholesterol, 423

Nutrition
- carbohydrate tolerance decreases with inactivity of aging, 315
- obesity more common than undernutrition, 464

O

Obesity as major nutritional problem, 464

Osteoporosis
- aggravation by corticoid therapy, 555
- psychologic and osteometabolic responses to sex hormones in women, 46

P

Paraffin bath, 743

Parkinsonism, surgical and drug treatment, 595

Parotitis, acute: cause, incidence, and care, 115

Pentylenetetrazol, oral, effects on psychotic patients with cerebral deterioration, 848

Peptic ulcer
- clinical features after 60 years of age, 487
- emergency surgery, 80

Physical medicine rehabilitation program in Illinois, 404

Polyarteritis nodosa, multiple organ infarcts with, 355

Potassium-40 body levels at different ages (current comment), 220

Pregnancy after 50 years of age (editorial), 327

Psychiatric problems
- among supposedly normal persons over 60 years, 97
- care in general practice, preventive aspects (current comment), 218
- care in general practice, suggestions from national leaders, (current comment), 672
- depressive states, deterioration, confusion, and apathy, hexacyclonate for, 767
- extent and cost of disability in U.S., 543
- increasing admissions to mental hospitals, 407
- intensive psychotherapy for hospitalized patients, 644
- l-triiodothyronine for euthyroid committed patients, 38
- personality factors in successful adjustment, 124
- physiologic and pathologic changes affecting capacity of mind and body, 673
- with cerebrovascular deterioration, oral pentylenetetrazol for, 848
- with senile and psychotic cardiac ischemia, 449

Psychologic tests, effects of blindfolding on, 780

R

Rectum, value of routine proctologic examination, 519

Religious attitudes in aged, 658

Reserpine, additives to combat side effects, 158

Retirement
- effects of too-sudden separation (editorial), 418
- preparation programs, 793

Roentgen examination, oral cholecystography, results, 746

S

Sarcoidosis
- of liver and lungs with cirrhosis, 718
- of liver and portal lymph nodes, 61

Shock, Nathan W., award recipient, 416

Shoulder-hand syndrome, cause and treatment, 741

Skin reactions at different ages, 773

Social security *see* Health insurance

Specialization in medicine through history (editorial), 670

Spondylolysis, incidence and roentgen study, 187

Stapes mobilization, 681

Strokes *see* Arteries; Hemiplegia

Surgeons, adequate training program (editorial), 68

T

Teeth, dental problems and care in Michigan county hospitals, 306

Tranquilizers, promazine for institutionalized patients, 480

Tubes, esophagogastric, feeding purposes, 172

Tumors
- intestinal spindle-cell sarcoma, spontaneous hypoglycemia with, 473
- *see also* Cancer

U

Unemployment
- effect on political and social attitudes, 430
- personal and national impact (editorial), 494
- *see also* Retirement

University of Michigan studies *see* Michigan, University of

Urinary tract
- diseases, special problems, 503
- diversion of urine via isolated ileal loop, 90

V

Virus research in cancer, 2

Vitamins
- K, for liver disease, dangers, 700
- nicotinic acid, effect on blood cholesterol, 423

W

Weight
- and height tables (editorial), 671
- loss in five-year age groups after 65 (editorial), 496
- obesity as major nutritional problem, 464
- of body organs, decrease (editorial), 732

ABSTRACT INDEX

Acromegaly, implantation of hypophysis with yttrium^{90} pellets for (Dogliotti et al.), 397

Aging and aged
- biologic and sociologic barriers to usefulness (Bortz), Mar. 124A
- clinical, physiologic, and psychologic study of 20 clinic patients (Hickler et al.), Apr. 89A
- health care as public problem (Mac Lean), Feb. 82A
- health care demands variety of community facilities (Agate), 664
- health care program, government-operated, disadvantages (Weise), Apr. 84A
- increase in population over 65 years, 114
- percentage in institutions (Shanas), 528
- pilot mental health facility in Philadelphia (Tuckman & Dashiell), Feb. 100A
- role of physician in solution of social problems (Orr), Mar. 117A
- useful husbandry activities (Ross), Apr. 86A

Alcohol
- addiction, treatable brain disease (Bennett et al.), May 86A
- meprobamate potentiates effect (Zirkle et al.), 800

Amebiasis, intestinal, diagnosis (Webster), Nov. 104A

Analgesics, effectiveness of codeine (Cass et al.), 123

Anemias
- in hospitalized patients (Lawson), 629
- pernicious, treatment (Bethell et al.), Apr. 102A
- sex differences in causes and severity (Semmence), Mar. 120A

Anesthesia for urologic surgery (Searles & Seymour), Sept. 90A

Angina
- abdominal, postprandial pain as sign (Bashour), 717
- pectoris, Elixophyllin for (Russek), 389
- pectoris, nitrites for (Russek), Sept. 86A
- pectoris, Ro 4-1634 for (Becker & Abrams), 337

Antibiotics, continuous therapy of bronchitis (Murdock et al.), Apr. 104A

Anticoagulants
- comparative study of four agents (Rodman et al.), Jan. 90A
- fibrinolytic activity of nicotinic acid (Wilson & Fostiropoulos), May 96A
- in myocardial infarction, advantages of heparin (Engelberg), Mar. 107A
- prophylactic, with hip fractures (Sevitt & Gallagher), May 106A

Appendicitis, diagnosis and treatment after 50 (Hubbell et al.), May 108A

Arteries
arteriography in occlusive cerebrovascular disease, indications (Whisnant), 836
carotid occlusion, ophthalmodynamometer in diagnosis (Schimek & Beallo), Jan. 85A
coronary disease, insurability (Gubner & Ungerleider), 567
sclerosis as one facet of general metabolic derangement (Salvini & Verdi), Sept. 92A
temporal arteritis, cortisone may prevent blindness (Davidson et al.), Apr. 89A
temporal arteritis, neurologic aspects (Hollenhorst et al.), Nov. 105A

Arthritis
diagnosis and treatment (Bunim), Mar. 98A
long-term chloroquine treatment (Young), May 98A
nicotinic acid for (Hoffer), 511

Asthma, acute, treatment (Carryer), Apr. 84A

Autopsy results in 304 patients over 80 (Mulligan), May 102A

B

Biliary tract, technic of incision and closure (Appleby), 37

Bladder, cinefluorographic studies in women (Lund et al.), Mar. 98A

Blood
circulation, effect of nylidrin on (Winsor et al.), Sept. 90A
in stool, guaiac tests may be invalidated by meat-eating (Spiro & Frucht), 486
occult, in urine, test for (Longfield et al.), 578
postoperative changes in coagulation (Feruglio et al.), Dec. 74A

Blood pressure
and mortality (Metropolitan Life Insurance Co.), 792
and volume, effect of ganglionic blockade on (Lewis et al.), 699
see also Hypertension

Bones
factors in density (Trotter et al.), 562
formation in operative scars (Classen et al.), 779
osteomalacia, dietary causes (McLendon & Gershon-Cohen), Apr. 92A
see also Osteoporosis; Paget's disease

Brain
cerebrovascular disorders *see* Arteries
treatable damage from chronic alcoholism (Bennett et al.), May 86A

Bronchiectasis, hemoptysis as indication for surgery (Frobese et al.), Mar. 124A

Bronchitis, continuous antibiotic therapy (Murdoch et al.), Apr. 104A

C

Cancer
colon and rectum, dissemination (McDonald & Williamson), Sept. 89A
colon, right, management after 70 (Snyder & Greaney), Feb. 96A
difficulty of early diagnosis (Elias & Lesnick), Dec. 70A
gallbladder, primary, frozen tissue examination at operation (Khedroo & Portillo), Mar. 105A
kidney, nonurologic symptoms (Melicow & Uson), 729
lung, intracranial involvement (Halpert et al.), May 100A
lung, prognosis with solitary circumscribed lesion (Vance et al.), Mar. 105A
pancreas, results of subtotal pancreatectomy (Zintel et al.), Apr. 98A
prostate: incidence, distribution, and enzymatic activity (Butler et al.), Feb. 106A
skin, surgical treatment (Bierne & Bierne), 448
stomach, abnormal serum proteins in (Jarnum & Schwartz), 745
stomach, in ulcers (Robbins), 443
terminal care (Miller), Feb. 104A
thyroid, sex differences in prognosis (Mustacchi & Cutler), 857
tongue, squamous-cell, results of treatment (Erich & Kragh), Mar. 112A
uterus, adenocarcinoma, preoperative irradiation (Schmitz et al.), Feb. 92A
uterus, endometrial, diagnosis by suction dilatation of cervix (Finzer), Mar. 102A

Carotid artery occlusion, ophthalmodynamometer in diagnosis (Schimek & Beallo), Jan. 85A

Catheter, urethral, dangers (Beckman), Jan. 88A

Cerebrovascular disease *see* Arteries

Chest surgery, precautions (Hepper & Bernatz), Aug. 74A

Chlorothiazide *see* Diuretics

Cholesterol *see* Hypercholesterolemia

Circulation, effect of nylidrin on (Winsor et al.), Sept. 90A

Colitis, nonspecific ulcerative, colectomy with ileostomy for (Bacon et al.), 823

Colon *see* Cancer; Colitis; Diverticulosis

Connective tissue damage with musculoskeletal trauma (Bick), Jan. 104A

Coronary artery disease, insurability (Gubner & Ungerleider), 567

Corticosteroids
before, during, and after intrathoracic surgery (Sealy et al.), 772
cortisone for temporal arteritis may prevent blindness (Davidson et al.), Apr. 89A
intra-articular, persistence (Will & Murdoch), Apr. 103A

D

Deanol
for depression, migraine, and tension headaches (Settel), Feb. 104A
for schizophrenia (Barsa & Saunders), Mar. 102A

Depression *see* Psychiatric problems

Dermatoses *see* Skin

Diabetes
complications in leg (Kelly), May 98A
low-fat diet, effect on serum lipids and retinopathy (Van Eck), Jan. 96A
precipitation in predisposed patients by thiazides (Goldner et al.), 429

Diuretics
chlorothiazide and hydrochlorothiazide for congestive failure (Keyes et al.), 45
chlorothiazide, yellow vision due to (Post), 749
mercurial, renal damage due to (Simon & Gerstmann), 348

Diverticulosis of colon, increase with age (Smith & Christensen), 523

Drugs *see* Antibiotics; Anticoagulants; Corticosteroids; Diuretics

E

Ear
labyrinthine disorders, Roniacol for (Dosdos & Arnold), 429
otosclerosis, stapes mobilization (Sataloff & Menduke), June 106A

Embolism, pulmonary, causing atrial flutter (Spivack et al.), 533

Enterocolitis, fecal feedings for (Cutolo et al.), Jan. 96A

Enzymes may cause hemorrhage with long-term anticoagulant therapy (Benshoff), 10

Esophagus, pulsion diverticula (Clagett), Jan. 86A

Ethoxzolamide for glaucoma (Drance), 175

Eyes
glaucoma *see* Glaucoma
xanthopsia due to chlorothiazide therapy (Post), 749

F

Fat
effects of safflower oil on serum lipids (Kingery et al.), 536
see also Hypercholesterolemia; Obesity

Fractures
hip, osteoporosis complicating (Urist et al.), Mar. 101A
hip, pre- and postoperative care (Fischer et al.), May 86A
hip, prophylactic anticoagulants (Sevitt & Gallagher), May 106A
medical prevention of complications (Cobey) June 102A

G

Gallbladder
and hernia surgery after 70 (Ross & Hickock), June 102A
cancer, primary, frozen tissue examination at operation (Khedroo & Portillo), Mar. 105A
occult cholecystitis (Gross & Waugh), Feb. 96A

Gangrene and ulceration of fingers with scleroderma, relaxin for (Reynolds & Livingood), Mar. 109A

Glaucoma
cholinesterase inhibitors for (Drance), 757
ethoxzolamide for (Drance), 175
urea for (Galin et al.), Jan. 82A

Gout
colchicine analogues for (Wallace), 643
comparison of three uricosuric drugs (Bartels), Nov. 103A
zoxazolamine for (Kolodny), Apr. 98A

H

Hair, body, diagnostic value of reduction or loss (Melick & Taft), Apr. 90A

Head injury, factors in rehabilitation (Walker & Jablon), 518

Headaches, migraine and tension, Deanol for (Settel), Feb. 104A

Heart
atrial flutter with pulmonary emboli (Spivack et al.), 533
atrial septal defect, frequency (Ellis et al.), 433
coronary disease, insurability (Gubner & Ungerleider), 567
effect of radiation on (Catterall), July 96A
failure, congestive, chlorothiazide and hydrochlorothiazide therapy (Keyes et al.), 45
failure, congestive, management (Denham), Feb. 89A
failure, unexplained (Rose & Wilson), Feb. 82A
rupture complicating myocardial infarction (Zeman & Rodstein), June 105A
surgery for congenital or acquired lesions, indications (Brandenburg), Sept. 86A
transverse diameter (Cowan), Nov. 100A

Hemorrhage
gastrointestinal, complicating vasoconstrictor treatment of pheochromocytoma (Brown et al.), May 100A
gastrointestinal, with duodenal diverticulum, exploratory surgery (Sheldon et al.), 157

gastrointestinal *see also* Peptic ulcer
pulmonary, with bronchiectasis, indication for surgery (Frobese et al.), Mar. 124A

Hernia
and gallbladder surgery after 70 (Ross & Hickock), June 102A
hiatus, abdominal approach (Craighead & Reyes), 163

Herpes zoster
intramuscular Protamide for pain (Baker), 622
of eye, corticosteroids for (Scheie & McLellan), Jan. 110A
pain following, treatment (Crikelair & Minervini), 232

Hip
flexion contractures, radiographic evaluation (Rothman et al.), Jan. 104A
fractures *see* Fractures

Hormones
concomitant estrogen and androgen improve nutrition and clinical behavior (Kountz et al.), Nov. 86A
sex, for osteoporosis (Handelsman), Nov. 100A

Husbandry activities (Ross), Apr. 86A

Hypercholesterolemia
indications for and methods of treatment (Juergens & Achor), Mar. 109A
inhibition by Mer-29 (Oaks et al.), Jan. 85A
reduced by nicotinic acid (Cava et al.), Feb. 106A

Hypertension
bretylium tosylate for (Lewis), July 94A
prognosis (Perera), Jan. 82A
refractory to reserpine and hydralazine, hydrochlorothiazide for (Lee et al.), 699
see also Blood pressure

I

Incisions, bony formation in (Classen et al.), 779

Infarction, myocardial
acute, levarterenol infusion for (Heller), Sept. 93A
heparin preferable anticoagulant (Engelberg), Mar. 107A
rupture complicating (Zeman & Rodstein), June 105A

Influenza vaccine, antibody titers after twelve months (Boger et al.), 518

Insulin metabolism (Farkas et al.), Mar. 120A

Intestines
enterocolitis, fecal feedings for (Cutolo et al.), Jan. 96A
symptoms do not increase with age (Cohen & Gitman), Aug. 74A

Iproniazid
for depression, evaluation (Cole et al.), 105
for depression, selective action (Pare & Sandler), Feb. 86A

K

Kidney
cancer, nonurologic symptoms (Melicow & Uson), 729
effect on, of replacing lower half of ureter with terminal ileum (Clarke & Mahony), Dec. 76A
function, five-minute intravenous pyelogram as measure (Woodruff), Mar. 102A
glomerulonephritis, causes and diagnosis (Nesson & Robbins), Apr. 96A
insufficiency from mercurial diuretics (Simon & Gerstmann), 348

L

Lip, differential diagnosis of lichen planus and cancer (Sulzberger & Witten), Feb. 86A

Liver
impairment with senile purpura (Derbes & Chernosky), 175
tuberculosis, needle biopsy in early diagnosis (Healey et al.), 657

Lung
abscess, treatment and prognosis (Andersen & McDonald), Aug. 79A
cancer *see* Cancer
respiratory distress in intrathoracic surgery, steroid therapy (Sealey et al.), 772
vital capacity lower in smokers (Blackburn et al.), 209

M

Melanoma, malignant, perfusion chemotherapy (Ryan et al.), Feb. 92A

Ménière's syndrome
Roniacol treatment (Dosdos & Arnold), 429
ultrasound treatment (Altmann & Waltner), Jan. 101A
ultrasound treatment (Lumsden), Mar. 127A

Mental states *see* Psychiatric problems

Meprobamate, alcohol potentiates effects (Zirkle et al.), 800

Methacholine, effect on blood pressure and depressive states (Davies), 851

Myocardium *see* Infarction

N

Nicotinic acid
effect on experimental atheromatosis (Cava et al.), Feb. 106A
fibrinolytic activity (Wilson & Fostiropoulos), May 96A
for arthritis (Hoffer), 511

Nitrofurazone vaginal suppositories, uses in gynecologic surgery (Grimes & Geiger), Nov. 100A

Nose, rhinophyma (Lewis), Jan. 92A

Nylidrin
- cerebral peripheral circulatory action (Winsor et al.), Sept. 90A
- vasodilating effect on skeletal muscle (de Crinis et al.), 542
- without effect in occlusive arterial disease (Roedling et al.), 536

O

Obesity, factors regulating release of stored fat (White et al.), Jan. 92A

Ophthalmodynamometry as diagnostic aid in cerebrovascular disease (Schimek & Beallo), Jan. 85A

Osteoporosis
- complicating hip fractures (Urist et al.), Mar. 101A
- hormone combination for (Handelsman), Nov. 100A

P

Paget's disease
- geographic incidence (Lackey), 622
- hormone treatment (Kolb), Feb. 84A

Pancreas
- acute hemorrhagic pancreatitis, diagnosis and treatment (Hinton et al.), Feb. 90A
- cancer, results of subtotal pancreatectomy (Zintel et al.), Apr. 98A

Paralysis of recurrent laryngeal nerves (Vinson), 130

Penicillin, effectiveness of oral V (Levy et al.), Jan. 86A

Peptic ulcer
- bleeding, early operation (Römcke et al.), 493
- bleeding, incidence and prognosis (Mason), Jan. 88A
- factors in malignancy (Robbins), 443
- geographic incidence in Britain (Pulvertaft), 486
- pathologic study (Robbins), Apr. 98A

Pheochromocytoma, vasoconstrictor therapy, intestinal bleeding and perforation due to (Brown et al.), May 100A

Phosphatase, serum alkaline levels increase with age (Hobson & Jordon), 209

Proteins, serum changes in gastric cancer (Jarnum & Schwartz), 745

Pruritus ani associated with antibiotic therapy Hydrolamine for (Feinblatt & Feinblatt), 453

Psychiatric problems
- comparison of treatment in mental and general hospitals (Ward & Ross), Dec. 68A
- depression, Deanol for (Settel), Feb. 104A
- depression, iproniazid for, evaluation (Cole et al.), 105
- depression, iproniazid for, selective action (Pare & Sandler), Feb. 86A
- depression, response to methacholine-induced blood pressure changes (Davies), 851
- depression,Tofranil for (Keup et al.), June 118A
- general practitioner's role in management of senility (Settel), Feb. 82A
- need for community action (Colwell & Post), Oct. 74A
- recent treatment methods (Ross), May 95A
- schizophrenia, deanol for (Barsa & Saunders) Mar. 102A

Purpura, liver damage with (Derbes & Chernosky), 175

Pyorrhea, trichloracetic and salicylic acid treatment may avoid gingivectomy (Darcissac), 209

R

Radiation for carcinoma of bronchus or breast, cardiac effects (Catterall), July 96A

Rectal disorders encountered in general practice (Hill), Oct. 74A

Respiration *see* Lung

S

Scleroderma with Raynaud's phenomenon, relaxin for (Reynolds & Livingood), Mar. 109A

Sex activities and attitudes after 60 (Newman & Nichols), Sept. 92A

Skin
- barrier cream to protect against urine or gastrointestinal leakage (Rubin), Jan. 96A
- cancer, surgical treatment (Bierne & Bierne), 448
- dry, daily oil bath for (Weissberg), Dec. 68A
- physiologic changes (Lorincz), June 108A
- varied treatments required in aged (Shair), June 98A

Smoking, effect on vital capacity (Blackburn et al.), 209

Social security, financial assets of many aged make Forand-type legislation questionable (Kemp et al.), Jan. 90A

Stapes mobilization for otosclerosis (Sataloff & Menduke), June 106A

Staphylococcus aureus bacteremia, coagulase-positive (Waisbren & Abboud), July 94A

Stomach *see* Cancer; Peptic ulcer; Tumors

Streptovaricin, antituberculous activity, evaluation (Riley et al.), 138

Sugar, blood tests, response to dextrose, sucrose, and glucose (Dodds et al.), Aug. 76A

Surgery
emergency situations, management (Bolt), Oct. 77A
pre- and postoperative problems (Boggs & Bradford), June 110A
preoperative care (Harridge & Cole), May 96A
preoperative care (Ochsner), Mar. 112A
transfusions during, dangers (Costello), 578
see also specific organs

T

Thrombosis
postoperative tendency, laboratory study (Feruglio et al.), Dec. 74A
retinal vein, intravenous fibrinolysin for (Howden), Jan. 101A
venous, alpha-tocopherol for prophylaxis and treatment (Kawahara), July 98A

Thyroid extract, liothyronine as substitute (Finkler), Jan. 110A

Thyroid gland
cancer, sex differences in prognosis (Mustacchi & Cutler), 857
polymorphous cell tumor (Chesky et al.), 615

Tongue cancer, squamous-cell, results of treatment (Erich & Kragh), Mar. 112A

Tranquilizers
meprobamate potentiates effects of alcohol (Zirkle et al.), 800
use and abuse (Howell), Jan. 82A

Transfusions during operation, dangers (Costello), 578

Tuberculosis
cycloserine treatment (Holmes et al.), Apr. 94A
liver, early diagnosis by biopsy (Healey et al.), 657
streptovaricin for (Riley et al.), 138

Tumors
benign gastric (Watson et al.), Feb. 90A
thyroid, polymorphous-cell (Chesky et al.), 615

U

Ulcers
decubitus, treatment (Weiss), May 102A
peptic *see* Peptic ulcer

Ultrasound
for Ménière's disease (Altmann & Waltner), Jan. 101A
for Ménière's disease (Lumsden), Mar. 127A

Ureter, replacement with terminal ileum, effect on kidney function (Clarke & Mahony), Dec. 76A

Urethra, cinefluorographic studies in women (Lund et al.), Mar. 98A

Urinary tract
anesthesia for surgery (Searles & Seymour), Sept. 90A
infections, sulfadimethoxine for (Faulkner & Morrison), 389
see also Kidney

Urine, residual, indirect determination (Chovnick et al.), Apr. 92A

Uterus
cancer *see* Cancer
prolapse, pessary treatment, complications (McElin & Paalman), Mar. 105A

V

Vitamins
B *see* Nicotinic acid
C, synthesis (Baker et al.), 680

W

Werner's syndrome, enzyme basis (Boyd & Grant), Feb. 89A
